- Due to the simple finish, no special training is required to use.
- Friendly service after purchase.
- Ability to pay in installment.

Our prices

We bring our POS system to you in two types, Lite and Pro.
If you buy lite version from us, you can buy our service in two types, lifetime and per year.

Lifetime - Here we will give you lifetime access to the POS system after a one-time charge. The system is 100% yours after a one-time purchase, but we are ready for additional support at any time if you need it. It can be bought from 150000 rupees.

Per year - Here the amount we charge you is valid for one year only. After that year you have to buy license again. It can be bought from the price of 120000 rupees.

If you buy the pro version from us, you can buy our service in two types, lifetime and per year, as before.
The price of the pro version is determined by the facilities you request from us. The price here is from 180000 rupees upwards.
